**Transitional Assistance & Design Team Gives Back with A Wider Circle™
Team Makes Thanksgiving Special for Local Families with Special Gift Baskets**

Gaithersburg, MD (November 1, 2010) – Members of the [Transitional Assistance & Design](#) team are partnering with A Wider Circle™, one of the most respected small charity organizations helping children and adults lift themselves out of poverty, to share Thanksgiving baskets with families in need across the Washington, DC metro area. Throughout the month, the Transitional Assistance & Design team will be collecting non-perishable food items to include in the Thanksgiving gift baskets.

A Wider Circle™ has been serving the Greater Washington community for over a decade by providing basic need items to families transitioning out of shelters or simply living without life's necessities. The organization furnishes the homes of more than 1,000 children and adults every single month, all free of charge.

Transitional Assistance & Design is one of the longest serving move management companies in the greater Washington, DC region. Members of the Transitional Assistance & Design team regularly participate in community service efforts and decided to collectively work towards helping A Wider Circle™ to help hundreds of families enjoy special gift baskets this Thanksgiving.

“We have so much to be thankful for this holiday season and being able to share Thanksgiving baskets with families so they can enjoy a special meal with their loved ones is one way our team has chosen to give back this year,” said Susie Danick, founder and co-owner of Transitional Assistance & Design.
